

Town of Franklinton

Advisory Board Appointment Application

The Town of Franklinton Board of Commissioners values the input of its residents to make informed decisions that benefit the community. One important way we gather this advice is by inviting citizens to volunteer their time and expertise to serve on various boards and committees. These dedicated citizens work closely with town staff and commissioners, offering valuable perspectives to guide the decision-making process. If you are interested in being considered for appointment to a Town Board or Committee, please submit your completed application to the Town Clerk via email at lchandler@franklintonnc.gov or by mail to 101 N. Main St., Franklinton, NC 27525.
